All information you submit when registering for your Community Edition Account must be truthful and accurate. You may only register as yourself, unless you have the necessary authority to register on behalf of an organization or corporate entity that you represent. You are responsible for all activity that happens on or through your Community Edition Account (whether or not authorized by you). A. Our Proprietary Rights. We and our licensors own all rights, title, and interest in and to the Site, Service, any and all components of the Service, all user interfaces and design on the Service, all content of any kind originating with us on the Service, all Proprietary Information, and all analytics, statistics and other information associated with use of the Service (collectively, “**Analytics**”), and all proprietary and intellectual property rights related to all of the above. In no event shall you contest our ownership rights with respect to any of the foregoing. Except for the express rights granted in Section 3.B, no other rights are granted by Oracle under these Terms, by implication, estoppel or otherwise, and all rights not expressly granted in these Terms are reserved by Oracle.

B. Your Proprietary Rights. Subject to our rights in this Section 5, you shall own all right, title and interest in and to Your Content that you create using the Service.

C. Grant of Rights. You hereby grant Oracle and its subsidiaries, affiliates, contractors, vendors, and agents a non-exclusive, worldwide, perpetual, irrevocable, royalty-free right to use, display, copy, distribute, modify and make derivative works of Your Content in connection with the Service, including the operation, maintenance, and improvement of the Service, and the compilation of Analytics. To the extent you make Your Content available through the Service, you hereby grant to your Team Members, other users of the Service, and anyone else that may have access to Your Content through the Service, a non-exclusive right to access Your Content through the Service, and to use, reproduce, distribute, display and perform Your Content as permitted through the functionality of the Service. If you provide us with comments, suggestions, recommendations or other feedback with respect to the Service, including,

without limitation, with respect to modifications, enhancements, improvements and other changes to the Service (collectively, “**Feedback**”), you hereby grant to us a worldwide, perpetual, irrevocable, royalty-free right to use, reproduce, modify, distribute, and/or exploit, for commercial purposes or otherwise, the Feedback in connection with the Service or any of our other products and services now existing or later developed, without any obligation to you.

D. Proprietary Information. All technical and non-technical information concerning or relating to the Site and Service, including any source code, documentation, product roadmaps, business and marketing plans, and any information related to the foregoing constitutes our confidential and proprietary information (“**Proprietary Information**”). You agree to: (i) use the Proprietary Information only in connection with fulfilling your rights and obligations under these Terms; (ii) hold the Proprietary Information in strict confidence and exercise due care with respect to its handling and protection, consistent with your protection of your own Proprietary Information but not less than reasonable care; and (iii) not publish or disclose the Proprietary Information except for disclosures to employees who have entered into written confidentiality obligations no less stringent than those contained in these Terms, and then only on a “need-to-know” basis. You agree that any unauthorized disclosure of the Proprietary Information would cause us irreparable harm, and that in the event of any breach or threatened breach of the above confidentiality obligations, we shall be entitled to seek equitable relief in addition to any other remedy we may have at law or in equity.

6. Indemnification

A. If a third party makes a claim against either you or Oracle (“Recipient” which may refer to you or us depending upon which party received the Material), that any information, design, specification, instruction, software, service, data, hardware, or material (collectively, “Material”) furnished by either you or us (“Provider” which may refer to you or us depending on which party provided the Material) and used by the Recipient infringes the third party’s intellectual property rights, the Provider, at the Provider’s sole cost and expense, will defend the Recipient against the claim and indemnify the Recipient from the damages, liabilities, costs and expenses awarded by the court to the third party claiming infringement or the settlement agreed to by the Provider, if the Recipient does the following: a. notifies the Provider promptly in writing, not later than 30 days after the Recipient receives notice of the claim (or sooner if required by applicable law); b. gives the Provider sole control of the defense and any settlement negotiations; and c. gives the Provider the information, authority and assistance the Provider needs to defend against or settle the claim.

B. If the Provider believes or it is determined that any of the Material may have violated a third party’s intellectual property rights, the Provider may choose to either modify the Material to be non-infringing (while substantially preserving its utility or functionality) or obtain a license to allow for continued use, or if these alternatives are not commercially reasonable, the Provider may end the license for, and require return of, the applicable Material. If such return materially affects our ability to meet obligations under these Terms, then we may, upon 30 days prior written notice, terminate the Service. If such Material is third party technology and the terms of the third party license do not allow us to terminate the license, then we may, upon 30 days prior written notice, end the Service associated with such Material.

C. The Provider will not indemnify the Recipient if the Recipient (a) alters the Material or uses it outside the scope of use identified in the Provider’s user or program documentation, or (b) uses a version of the Material which has been superseded, if the infringement claim could have been avoided by using an unaltered current version of the Material which was made available to the Recipient. The Provider will not indemnify the Recipient to the extent that an infringement claim is based upon any Material not furnished by the Provider. We will not indemnify You to the extent that an infringement claim is based on Third Party Content or any Material from a third party portal or other external source that is accessible or made available to You within or by the Services (e.g., a social media post from a third party blog or forum, a third party Web page accessed via a hyperlink, marketing data from third party data providers, etc.).

D. This Section 6 provides the parties’ exclusive remedy for any infringement claims or damages.

7. PRIVACY

Any information that you provide to us in connection with the Service is subject to the Oracle Services Privacy Policy, which is incorporated into these Terms by this reference and located at <https://www.oracle.com/us/legal/privacy/overview/index.html>. You understand that through your use of the Service you consent to the collection and use (as set forth in the Oracle Services Privacy Policy) of this information, including the transfer of this information to the United States and/or other countries for storage, processing and use by us.

8. THIRD PARTY SERVICES AND CONTENT

A. Third Party Services. We may make available to you certain third party products or services for use in connection with the Service ("**Third Party Services**"). When you engage a third party's website or service, which is linked to, facilitated through or provided via our Service, you are interacting with the third party and not with us. These Third Party Services are not under our control and we are not responsible for the contents, functionality or performance of any Third Party Services, or any changes or updates to such Third Party Services maintained by the applicable third parties. You understand and agree that your use of those Third Party Services may be subject to additional terms and conditions and policies that are specific to such Third Party Services, and that you shall be bound by such terms and conditions and policies if you elect to use such Third Party Services. We make no representations or warranties with respect to any Third Party Services, be it express or implied. We are not responsible for the privacy practices of such Third Party Services nor any data or information you may share with or via such Third Party Services. You are solely responsible for determining the suitability of any Third Party Services that you elect to use in connection with the Service. Any and all use of such Third Party Services shall be at your sole risk.

B. Third Party Content. Any opinions, advice, statements, services, offers, or other information that constitutes part of the content expressed, authored, or made available by other users or other third parties on or through the Service (collectively, "**Third Party Content**") are those of their respective authors or producers and not ours. It is your responsibility to evaluate the information, opinion, advice, or other content available on and through the Site and Service. We do not control Third Party Content and do not guarantee the accuracy, integrity or quality of such Third Party Content. We are not responsible for the performance of, nor do we endorse, any Third Party Content or any information or materials advertised in or through either of the foregoing. We will not be responsible or liable, directly or indirectly, for any damage or loss caused to you by your use of or reliance on any goods, services, or information available on or through any Third Party Content.

9. DISCLAIMER

TO THE MAXIMUM EXTENT NOT PROHIBITED BY APPLICABLE LAW, WE DISCLAIM ALL WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT. THE SITE, SOFTWARE, AND SERVICE ARE PROVIDED "AS-IS," AND "AS AVAILABLE" WITHOUT ANY WARRANTY OF ANY KIND. WE DO NOT WARRANT THE COMPREHENSIVENESS, CORRECTNESS, LEGALITY, OR ACCURACY OF THE SERVICE, THAT THE SERVICE OR ANY THIRD PARTY SERVICE WILL ALWAYS BE AVAILABLE, UNINTERRUPTED OR ERROR FREE, OR THAT THE SERVICE, ANY THIRD PARTY SERVICES, AND ANY CONTENT WILL BE SECURE OR NOT OTHERWISE LOST, CORRUPTED OR DAMAGED. NO ADVICE OR INFORMATION, WHETHER ORAL OR WRITTEN, OBTAINED BY YOU FROM US OR THROUGH OR FROM OUR SERVICE WILL CREATE ANY WARRANTY NOT EXPRESSLY STATED IN THESE TERMS. YOU ACKNOWLEDGE AND AGREE THAT YOUR USE OF THE SITE, SERVICE, AND/OR SOFTWARE SHALL BE AT YOUR SOLE RISK.

10. CLAIMS

You will indemnify, defend, and hold Oracle, its affiliates, and their respective officers, directors, employees, agents, contractors, licensors, partners and suppliers (each a “**Covered Party**” and collectively, the “**Covered Parties**”) harmless from and against any and all claims, liabilities, damages, losses, costs, expenses, and attorneys’ fees (“**Claim(s)**”) arising out of or related to: (i) Your use of and access to the Service; (ii) any of Your Content or Your Applications; (iii) any and all Taxes; and (iv) your violation of these Terms.

11. LIABILITY

A. TO THE MAXIMUM EXTENT NOT PROHIBITED UNDER APPLICABLE LAW, WE SHALL NOT BE LIABLE TO YOU OR ANY THIRD PARTY CLAIMING THROUGH YOU FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, CONSEQUENTIAL OR EXEMPLARY DAMAGES, HOWEVER CAUSED AND UNDER ANY THEORY OF LIABILITY (INCLUDING, BUT NOT BE LIMITED TO CONTRACT, TORT, COMMON LAW, OR STATUTE) ARISING OUT OF OR RELATING TO THIS AGREEMENT, STATEMENTS OR CONDUCT OF ANY THIRD PARTY REGARDING THE SITE OR SERVICE, OR USE OF THE SITE OR SERVICE, INCLUDING WITHOUT LIMITATION ANY LOSS OF DATA USE, DATA, CONTENT, PROFITS, SALES, GOODWILL, OR REPUTATION, WHETHER OR NOT WE HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. OUR MAXIMUM AGGREGATE LIABILITY WITH RESPECT TO ANY CLAIM ARISING UNDER THESE TERMS SHALL NOT EXCEED THE AMOUNT OF ONE THOUSAND USD (\$1,000.00).

B. THE PARTIES AGREE THAT THE PROVISIONS IN THIS SECTION 11 REPRESENT A FAIR ALLOCATION OF THE RISKS AND ARE ESSENTIAL ELEMENTS OF THE BASIS OF THE BARGAIN, WITHOUT WHICH THE PARTIES WOULD NOT HAVE ENTERED INTO THESE TERMS.

12. TERM, TERMINATION AND SUSPENSION OF SERVICE

A. Term. These Terms are effective upon the date you first accept them, and shall continue until the termination of your Community Edition Account.

B. Termination

(i) Termination by You. You may terminate your Community Edition Account and these Terms at any time by sending a written notice to Oracle pursuant to Section 13.I. Such termination shall be effective upon Oracle receipt of such notice.

(ii) Termination by Us. We may terminate your Community Edition Account and these Terms at any time upon written notice to you, and such termination shall be effective on the date of such notice. Additionally, we may terminate your Community Edition Account, these Terms and your rights to access and use the Service (or any part thereof) for cause, immediately, without prior notice or liability to you, if in our sole determination: (a) you fail to comply with the Acceptable Use Policy, (b) you or your Team Members misuse the Service or violate or fail to comply with any provision of the Terms, (c) Your Content is infringing or violates the rights of any third party, (d) you failed to provide true or accurate information in connection with your Community Edition Account registration, or (e) as required by applicable law.

(iii) Effect of Termination. Upon the expiration or termination of these Terms for any reason, all rights granted to you under these Terms, and all access to the Service, your Community Edition Account, and Your Content, will immediately terminate. We have no obligation to retain Your Content upon termination of your Community Edition Account. We do not represent or warrant that we will delete, preserve or maintain any of Your Content for any specific period of time following any termination or expiration of these Terms. Regardless of the above, we shall be entitled to keep copies of any and all of Your Content necessary in order for us to comply with applicable laws. Provisions that survive termination or expiration of these Terms are those relating to limitation of liability, indemnification and others, which by their nature are intended to survive.

C. Suspension of Service. Without limiting the above termination rights, we reserve the right, at any time and in our sole discretion, to temporarily suspend access to the Service (or any part thereof) for: (a) scheduled or unscheduled maintenance; (b) purposes of maintaining the security and/or integrity of Oracle's network, hardware, or associated systems or those of its third party providers; (c) unplanned technical problems or outages; (d) failure to comply with the Acceptable Use Policy; or (e) the actual or suspected violation of these Terms by you or any of your Team Members.

13. GENERAL

A. Relationship of Parties. You and Oracle are independent contractors under these Terms and not partners, agents or joint venturers. Neither party will make any commitment, by contract or otherwise, binding upon the other or represent that it has any authority to do so. You understand that we reserve the right to offer and to provide the Service to third parties in our sole discretion. We may use your name, logo, trademarks and/or trade names to identify you as a customer of Oracle or in connection with our publicity releases, promotional material, customer lists, and/or advertising, marketing or business-generating efforts with your consent, not to be unreasonably withheld or delayed.

B. Force Majeure. Neither you nor we shall be responsible for failure or delay of performance if caused by: an act of war, hostility, or sabotage; act of God; pandemic; electrical, internet, or telecommunication outage that is not caused by the obligated party; government restrictions (including the denial or cancelation of any export, import or other license); or other event outside the reasonable control of the obligated party. Both you and we will use reasonable efforts to mitigate the effect of a force majeure event.

C. Governing Law and Jurisdiction. These Terms are governed by the substantive and procedural laws of the State of California and each party agrees to submit to the exclusive jurisdiction of, and venue in, the courts in San Francisco or Santa Clara counties in California in any dispute arising out of or relating to these Terms. The Uniform Computer Information Transactions Act does not apply to these Terms.

D. Compliance. You will comply (and will ensure that all Team Members comply) with all applicable laws in your use of the Service. Export laws and regulations of the United States and any other relevant local export laws and regulations apply to the Service. Such export laws govern use of the Service (including technical data) and any Service deliverables provided under these Terms, and you and we each agree to comply with all such export laws and regulations (including "deemed export" and "deemed re-export" regulations). You agree that no data, information, software programs and/or materials resulting from the Service (or direct product thereof) will be exported, directly or indirectly, in violation of these laws, or will be used for any purpose prohibited by these laws including, without limitation, nuclear, chemical, or biological weapons proliferation, or development of missile technology. You acknowledge that the Service is designed with capabilities for you and your Team Members to access the Service without regard to geographic location and to transfer or otherwise move Your Content between the Service and other locations such as user workstations. You are solely responsible for the authorization and management of user accounts across geographic locations, as well as export control and geographic transfer of Your Content.

E. Assignment. You may not assign these Terms, including any rights or obligations under these Terms, or give or transfer the Service, or any interest in the Service, without our prior written consent, and any attempt to do so will be null and void. We may assign these Terms at any time in our sole discretion.

F. Audit. Upon forty-five (45) days written notice and no more than once every twelve (12) months, Oracle may audit your compliance with these Terms. You agree to cooperate with Oracle's audit and to provide reasonable assistance and access to information. Any such audit shall not unreasonably interfere with your normal business operations.

G. Severability. In the event that a court of competent jurisdiction finds any provision of these Terms to be illegal, invalid, or unenforceable, such provision shall be struck from these Terms, with the remaining provisions unaffected and in full force and effect.

H. Claims Period. Except for actions for breach of Oracle's proprietary rights, no action, regardless of form, arising out of or relating to these Terms may be brought by either party more than two years after the cause of action has accrued.

I. Notices; Electronic Communications. By accepting these Terms and registering for the Service, you consent to receiving and we reserve the right to send you electronic communications or information regarding the Service, including sending emails to your email address provided during registration (or as updated by you), or posting communications on the Service, which may include notices about your Community Edition Account. You agree that any notices, agreements, disclosures or other communications that we send to you electronically will satisfy any legal communication requirements, including that such communications be in writing. You also consent to receiving certain other marketing communications from us, such as promotional information and materials regarding our products and services. You will have the opportunity to opt-out of receiving such marketing communications should we send you such communications.

If you have a legal dispute with us, wish to provide a notice of termination, a notice pursuant to the Indemnification section of these Terms, or if you become subject to insolvency or other similar legal proceedings, you will promptly send written notice to: Oracle America, Inc., 500 Oracle Parkway, Redwood Shores, CA 94065, Attention: General Counsel, Legal Department.

J. Business Partners. Our business partners and other third parties, including any third parties with which the Service has integrations or that are retained by you to provide consulting services, implementation services or applications that interact with the Service, are independent of Oracle and are not Oracle's agents. We are not liable for, bound by, or responsible for any problems with the Service or Your Content arising due to any acts of any such business partner or third party, unless the business partner or third party is providing services as our subcontractor on an engagement ordered under these Terms and, if so, then only to the same extent as we would be responsible for our resources under these Terms.

K. Entire Agreement. You agree that these Terms and the information which is incorporated into these Terms by written reference (including reference to information contained in a URL or referenced policy) is the complete agreement for the Service ordered by you and supersedes all prior or contemporaneous agreements or representations, written or oral, regarding such Service. It is expressly agreed that these Terms shall supersede the terms in any purchase order, procurement internet portal, or other similar non-Oracle document and no terms included in any such purchase order, portal, or other non-Oracle document shall apply to the Service ordered. Except as provided in Section 4, these Terms may not be modified and the rights and restrictions may not be altered or waived except in a writing signed or accepted online by authorized representatives of you and of Oracle. No third party beneficiary relationships are created by these Terms.
